Product Description

Say “goodbye” to cold hands when pushing the stroller! The cozy, warm, and soft Grab Me handwarmer is the ideal companion for the cold winter months.

Different variations for attachment to virtually all buggies. Join the two parts together with the zip fastening to make the Grab Me into a large handwarmer for attaching to a continuous handle. Detach both parts and use as two separate handwarmers.

Can be attached to a shopper buggy with a continuous handle or to a buggy with two separate handles. The handwarmers attach with press studs for better fixation.
